Assist to Succeed Seattle

The dental assisting program at ATSS runs for 10 weeks. Classes are held on Saturdays from 8 a.m. - 5 p.m., combining classroom lecture and clinical lab training.

Lab instruction takes place in a modern working dental office (during non-business hours). Classes are kept small, with hands-on training from your instructors. We are located in the Laurelhurst neighborhood of Seattle near Children's Hospital.

Early Bird registration

Save **\$650.00** off tuition if paid in full prior to the open house for each new session.

Open house discount: \$500.00 off for first 3 paid-in-full registrations at open house.

Testimonials:

“

I went through Assist to Succeed and I loved it. I've been working for a year and a half. I got a job right out of school and I would recommend it to anyone!

- Lanae

“

Our assistant we got from ATS is really top notch, she's high quality and one of the best assistants we've had come out of a training program. She's really hit the ground running and has been able to pick up fast.

- Dr. Cantwell
